## FINANCE - CASH HANDLING POLICY (DET)

### A DET POLICY TEMPLATE (APRIL 2018)

#### **PURPOSE**

Aurora School is committed to ensuring that cash handling practices are consistent and transparent across the school.

Aurora School will implement the measures outlined below, in accordance with Department guidelines. This policy intends to safeguard and protect the staff involved in the receipting and collection of monies and minimise the risks associated with cash handling.

#### **SCOPE**

This policy applies to all school staff or volunteers involved in handling cash on behalf of Aurora School.

#### **POLICY**

##### **Roles and responsibilities of staff**

At Aurora School our Office Manager and Business Manager are responsible for managing cash at our school.

Where possible, segregation of duties will be maintained so that no individual will be responsible for more than one of the following:

- receipting of cash and issuing receipts
- preparing the banking
- taking the monies to the bank
- completion of the bank reconciliation

If this is not possible due to lack of available staff, the Department's "Segregation of Duties – Cash Checklist" will be implemented and signed off for audit purposes.

##### **Storage of cash**

Monies are to be kept in either a controlled access safe or cash drawer during the day. If funds are kept on the premises overnight, they must be locked in our school's secured safe.

No monies are to be kept in classrooms or left at school during holiday periods.

All monies that are collected in the classroom will be forwarded to the office in the zip lock pocket by the classroom teacher as soon as possible after collection.

Money collected away from the classroom or general office is to be handed to the office on the day of receipt unless circumstances make this impracticable. Money received away from the office must be double counted at the point of collection and a control receipt issued before it is provided to the office for banking.

##### **Records and receipting**

All receipts are to be processed in CASES21 as quickly as practicable upon receiving the funds.

Monies received from the classroom will be entered into CASES21 and receipts returned to the classroom to be handed out to students within 48 hours.

Where monies are received over the counter at the office they will be entered into CASES21 and an official receipt issued immediately to the payer.

## FINANCE - CASH HANDLING POLICY (DET)

A CASES21 bank deposit slip will be printed and reconciled with total receipts for the day and with the total of cash/cheques to be banked.

Funds are to be banked daily, where possible, when money is collected, and at different times of the day.

No receipt is to be altered. Where a mistake is made approval must be sought before reversing the incorrect receipt. Copies of the incorrect receipt should be retained with details of why it was reversed.

Prior to a receipt batch being updated a receipt can be reprinted if necessary. The word REPRINT appears on the receipt. After the batch has been updated, if a copy of the receipt is requested the Family Statement, Family Matching Transactions Report or the Family Transaction History can be printed.

### **Cheques**

No personal cheques are to be cashed.

All cheques received by mail are to be entered in a remittance book, and all cheques, which have not already been crossed "not negotiable", should be crossed as soon as they are received.

### **Fundraising**

Two parents or staff members will be designated as 'Responsible Persons' for all school fundraising events or other approved events where monies may be collected. The form which will be completed is the DET Cash Handling Authorised Form Fundraising Collection.
