

Auslan for Families

Learn Auslan with the family

Sign up now for our 2017 Auslan for Families classes

This is a great opportunity to build your Australian Sign Language (Auslan) skills together as families. Your deaf/hard of hearing children will be able to learn together with their siblings and yourselves.

The ten week course will be provided for two groups from 10.30am - 12.30pm and 1.30pm - 3.30pm each Sunday from late February during school terms. \$100 covers the whole family for the semester course.

Supervised recreation will be provided for the children for around an hour, during which time they will have the opportunity to practise their Auslan informally and have fun with friends. The children will also join the adults for part of each class so everyone has the chance to learn together.

Venue

Fenton Hall, Deaf Children Australia
597 St Kilda Rd Melbourne
Enter DCA car park from High Street.
Fenton Hall is next to the car park and Tradeblock Café.
