

Deaf & Hard of Hearing Program

YMCA
Swimming
Lessons

How do Deaf and Hard of Hearing Swimming Lessons work?

- Lessons run for 30 minutes once a week over a 40 week year
- All our teachers are fully AUSTSWIM qualified and AUSLAN trained
- Participants in our program have full access to the pool outside their lesson time
- Children progress through 12 levels as their skills develop and are grouped based on skill (rather than age)
- Classes are available in groups of 1:4 and 1:1. This is based on individual requirements.
