HOMework POLICY (FOUNDATION) (DET)

A DET POLICY TEMPLATE (FEB 2018)

PURPOSE

The purpose of this policy is to outline to students, parents/carers and school staff Aurora School's expectations for homework and at-home learning.

SCOPE

This policy applies to students in Foundation levels and staff responsible for setting homework.

POLICY

Aurora School acknowledges that homework should be tailored and adapted to suit the personal and developmental needs of students.

Teachers at Aurora School are encouraged to exercise their discretion in assigning tasks that are appropriate for their students and most likely to be meaningful.

Foundation

In the early years, the objective of homework should be to practise and consolidate the concepts that have been introduced during class time. It is also intended to introduce the concepts of self-discipline and responsibility and prepare them for the upper grades.

Assigned homework tasks will build on concepts explored in the classroom and encourage students to use their initiative by gathering additional information or materials.

Homework will mainly consist of daily reading to, with, or by parents/carer or older siblings.

Students are generally not expected to complete more than 30 minutes of homework per day and no homework tasks will be assigned over the weekends or during the holidays.

Shared expectations and responsibilities

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Aurora School will support students by:

- fostering lifelong learning and connecting families with the learning of their children, as part of a comprehensive and balanced curriculum within Victorian schools
- ensuring the school's homework policy is relevant to the needs of students
- advising parents/carers of homework expectations at the beginning of the school year and providing them with a copy of the homework policy
- encouraging parents/carers of early primary school aged children to read to and with their children for enjoyment

Aurora School

HOMWORK POLICY (FOUNDATION) (DET)

Teachers at Aurora School will:

- equip students with the skills to solve problems
- encourage real-life problem solving, logical thinking, creativity and imagination
- set varied, challenging and meaningful tasks related to class work to suit the students' learning needs
- give students enough time to complete homework, considering home obligations and extracurricular activities
- assess homework and provide timely and practical feedback and support
- help students develop organisational and time-management skills
- ensure parents/carers are aware of the school's homework policy
- develop strategies within the school to support parents and carers becoming active partners in homework
- offer a wide range of opportunities for families to engage with their children.

It is expected that students will take responsibility for their own learning by:

- discussing with their parents/carers homework expectations
- accepting responsibility for the completion of homework tasks within set time frames
- seeking assistance when difficulties arise

It is expected that parents/carers will support their children by:

- developing a positive and productive approach to homework
- ensuring there is a balance between the time spent on homework and recreational activities
- reading to them, talking with them and involving them in learning opportunities during everyday household routines and physical activity
- talking to teachers about any concerns they have about the homework
- discussing homework with their child in their first language, if English is not the main language spoken at home, and linking it to previous experiences
- linking homework and other learning activities to the families' culture, history and language, linking with relevant services, clubs, associations and community
- ensuring there is a quiet study area for students to complete their homework tasks.

Support for students, parents and carers

Teachers at Aurora School understand that students have different learning styles and interests, and may approach learning activities and homework differently. If you are concerned that your child may not understand the homework tasks that have been set for him or her, or is spending a long period of time completing their homework, we encourage you to speak to their teachers, or the Assistant Principal.
